Trail Highlights: Los Caballos Trail travels through burned and unburned forest and includes a number of steep grades. The majority of the trail follows old logging roads as it winds along Joe Tank Ridge and through Bagnal Draw. The trail has been signed with blue diamonds since the Rodeo-Chediski fire burned out much of the old markings. Watch for fallen and blown down trees along the trail. This trail offers an interesting look at the ecology that follows a forest fire.

This trail has coded white diamonds, approximately 1/4 mile apart, which correspond to the codes on the map below. If you need to call 911 for an emergency, tell the 911 operator the code on the nearest white diamond so that emergency responders can more readily locate you.
