5. Jerry Good gave **kudos to the Trail Crew** for their good work the last two Mondays, We will meet Monday, April 15, at Timber Mesa Trailhead at 8:00 AM, Jerry said we are dedicating this year's trail work to Bob Pena and Liz Wise. We can still use more volunteers.
6. Jim mentioned that **signs on some trails are missing or vandalized**. Jim is able to produce signs much faster than the Forest Service. Jim needs to be told in writing where they are needed and what is to be engraved on the signs.
7. **Walk For the Woods:** John Vuolo said that we are still \$80 short of the \$300 needed for TRACKS to become a sponsor for this event which is June 1st on National Trails Day. John was able to collect more than the needed amount during the day from members. Thanks to all who contributed to this cause. This helps the Nature Center.
8. Jim applied for a grant through Nature Valley (the trail bar manufacturer). We should receive 1,000 trail bars which will be shared with other outdoor groups and activities.
9. Jim also applied for TRACKS to be a nominee for an **Outdoor Hall of Fame Award**. TRACKS has received several awards as far back as 1994.
10. On May 18, **Walking Down Ranch will have a fund raiser BBQ** at the cabins to help our veterans. Moose Henri is supplying the food. The BBQ starts at 5:00 PM and is \$20 pr person.

12. **Jim spoke of the interpretive signs at Game and Fish headquarters** which were paid for by the Liz Wise Memorial Fund. It was decided to have a smaller sign to memorialize Liz. Jim will write the legend and logo for this sign.
13. Liz Jernigan announced that the **Audubon Film Festival fund raiser** for scholarships will be dedicated to Bob and Loretta Pena. The date for the festival is July 13 at the Nature Center. More information will follow.
14. Jim mentioned a future **bench dedicated to Liz Wise and Bob Pena**. He suggested placing both of their names on the same bench as spaces for benches are less available.
15. Jim mentioned that the **prototype for future bike gates** is located behind Nature Center. Installment is labor intensive. The Forest Service gates are wider and when we get these, modifications will be needed.
16. Jim announced a new Board member, and perhaps in the future there will be another opening. Our new member is Lynda Beale.
17. Jim told the group that Arlene Nelson and John Vuolo are working with Ann Groebner on **new t-shirts**. There will also be hoodies and caps. The design has been established.
